

## RFTA Procedure

- The RFTA must be completed and signed by both the landlord and the tenant.
- The landlord must schedule an appointment with the appropriate caseworker to bring the RFTA to the office.
- The caseworker evaluates the RFTA for completeness and has the landlord make corrections if necessary.
- The caseworker completes a Rent Comparability Schedule with the landlord and negotiates the amount of contract rent that is acceptable for the unit.
- The caseworker must inform the landlord that by presenting the form, he/she is certifying that the unit is ready for inspection. All the utilities are required to be in service at the time the RFTA is submitted. (Landlord must either provide documentation showing that the utilities are on in the tenant's name or sign a landlord utility certification form that utilities are on for the inspection).
- The landlord is informed that he/she must be present for the initial inspection and that the inspection will be completed within fifteen days of submission of the RFTA.

### New Landlords:

1. Must provide a copy of the deed, settlement statement, tax notice, or other documentation showing legal ownership.
2. Must provide a copy of their social security card or documentation with their Federal Tax ID number.
3. Must complete a W-9 form.
4. Must provide an e-mail address.
5. Must complete an Authorization Agreement for Direct Deposit form and attach a void check.

### The caseworker must indicate the following on all submitted RFTA's:

- Upper left-hand corner- Indicate inspection type by writing Initial, Transfer, or CO (Change ownership).
- Upper right-hand corner- Write the number of children under the age of six who will reside in the household.
- Bottom of page (under utilities)- Write utility receipts on file or landlord certification on file. If the applicant lives in the unit, this must also be written at the bottom.
- The form must be date and time stamped in the upper right-hand corner.

## RFTA Packet Instruction Sheet

Please fill out the RFTA and all attached documents completely. Inspections are scheduled according to the date and time they are received. RFTA packets will not be considered received until all forms have been filled out completely and returned.

1. GHA use only
2. Complete address of the unit, including city, state, and zip code

In the Paid by column, please indicate who is responsible for paying for the utility usage of the system.

Refrigerator / Range- On refrigerator and range, both the Provided by and Paid by columns refer to who purchased the appliances.

12. Owner's Certification
  - a. Rent reasonableness: Applies only to apartment complexes with 4 or more non-Section 8 units. If you have 4 or more occupied non-Section 8 units, please fill in lines 1 – 3 to indicate you are not charging higher rents to Section 8 tenants that you charge on the open market.

Landlord Utility Certification

THE GASTONIA HOUSING AUTHORITY WILL NOT ACCEPT A REQUEST FOR TENANCY APPROVAL IF THE UTILITIES HAVE NOT BEEN TURNED ON.

I certify that all applicable utilities (Electric, water, and gas) for the unit located at

\_\_\_\_\_ are currently in service under:  
(Unit Number, Street and City)

- My Name       Company name       Applicant/Tenant name

It is my understanding that it is the landlord's responsibility to physically insure that all utilities are in service, electrical breakers are on, all pilot lights (if any) are lit, and all water valves (Main and under sinks) are turned to the open position. Failure to have the utilities in operation on the day of inspection will result in a failed inspection (2 being the maximum). Should a unit fail the initial inspection, reinspection will not be made for 30 days. It is my understanding that a Housing Assistance Payments contract cannot be entered into nor any HAP payments made until all the utilities for which the tenant will be responsible have been transferred into the head of household's name and the applicant has submitted a Utility Account Verification Form or receipts from each utility (company) showing the date the service began and the account number. Utility verification forms or receipts must be submitted by the applicant within 5 days of the date the unit passes inspection. Failure to do so may result in the denial of the applicant's housing assistance.

The landlord must check each utility listed below that the tenant will be responsible for and list the name of the utility provider:
